5. PROCEDURE

Internal Complaint Procedure

- 5.1. Learners should initially attempt to resolve a complaint through an informal process directly with the person involved. This aims to resolve the complaint as quickly and as close to the source of complaint as possible.
- 5.2. If an attempt to resolve a complaint informally with the person involved is unsuccessful or the learner is unsatisfied with the outcome, the learner is encouraged to request a meeting with a member of the College Senior Management Team to discuss the matter.
- 5.3. The member of the College Senior Management Team will attempt to resolve the complaint informally at the meeting. If required, the member of the College Senior Management Team will commit to investigating the matter and arrange a follow up meeting with the learner to discuss the outcome of the investigation and offer a solution if necessary.
- 5.4. If the attempt to resolve the complaint informally with the assistance of the member of the College Senior Management Team is unsuccessful or the learner is unsatisfied with the outcome, the learner is invited to lodge a formal complaint using the Complaints and Appeals form available at opc.edu.au/forms.
- 5.5. After the learner has lodged a complaint, they will receive an email confirming that the College has received the complaint.

- 5.6. Any learner that experiences difficulty when completing the complaint form should ask a College staff member to assist them.
- 5.7. Once a complaint form has been lodged (with any relevant supporting material), the formal complaints process will commence within 10 working days from the day it was lodged.
- 5.8. A member of the College administration team records the complaint in the learner's file and on the College complaints register.
- 5.9. A member of the College Senior Management Team will contact the learner to arrange a formal meeting regarding the complaint. The learner will have the opportunity to formally present their case to the appropriate member of the College Senior Management Team. There is no cost to the learner for this process.
 - a) Only a member of the College Senior Management Team may deal with a formal internal complaint assuring they are not the subject of the complaint.
 - b) If no members of the College Senior Management Team are eligible to address the complaint, the complaint will be directed to an external body for review at no cost to the learner.
- 5.10. During the meeting, the learner may be accompanied and assisted by a support person. This applies to any additional meetings involving the complaint.
- 5.11. The designated member of the College Senior Management Team will aim to resolve the complaint within 10 working days from the commencement of the formal complaint progress, unless all parties agree in writing to extend this time.
- 5.12. Within 5 working days of the conclusion of the internal complaints handling process, the College will inform the learner in writing of the outcome of the complaint, including associated reasons for the outcome, and of their right to an internal appeal should they not be satisfied with the result or conduct of the internal complaint handling process.
- 5.13. A record of the outcome, including reasons for the outcome, will be retained in the learner's file.
- 5.14. If any matter arising from the formal complaint indicates a systemic College issue, the CEO will be informed in writing so the matter can be used to inform the continuous improvement activities of the College.
- 5.15. If the learner does not elect to access the College internal appeals process, the College will implement the complaint outcome (as conveyed to the learner) and undertake any continuous improvement activities arising from the complaint.
- 5.16. If the learner does elect to access the College internal appeals process, they must submit their appeal by completing the Complaints and Appeals Form available at opc.edu.au/forms. A student must submit their application for an internal appeal within 20 working days of receiving the complaint outcome. Applications received after this time will not be processed.
- 5.17. Once a valid and completed internal appeals form is received from a learner, the appeals process is commenced.

- 5.24. Prior to lodging a formal internal appeal, the learner is encouraged to request a meeting with a member of the College Senior Management Team to discuss the matter.
- 5.25. The member of the College Senior Management Team will attempt to resolve the appeal informally at the meeting.
- 5.26. If the attempt to resolve the appeal informally with the assistance of the member of the College Senior Management Team is unsuccessful, or the learner is unsatisfied with the outcome, the learner is invited to lodge a formal internal appeal using the Complaints and Appeal Form at opc.edu.au/forms.
- 5.27. If the learner lodges an appeal using the online form, they will receive an email confirming that the College has received the appeal request.
- 5.28. Any learner that experiences difficulty when completing the appeal form should ask a College staff member to assist them.
- 5.29. Once an appeal form has been lodged (with any relevant supporting material), the formal internal appeals process will commence within 10 working days from the day it was lodged.
- 5.30. A member of the college administration team records the appeal in the learner's file and on the College appeals register.
- 5.31. A member of the College Senior Management Team, one that was not involved in the complaint management stage or the owner of the general decision the learner wishes to

appeal, will contact the learner and provide them with an opportunity to submit additional information relevant to the original complaint. A meeting may also be arranged to discuss matters further. There is no cost to the learner for this process.

- a) Only a member of the College Senior Management Team may deal with a formal internal appeal assuming they did not make the decision that lead to the appeal.
- b) If no members of the College Senior Management Team are not eligible to address the internal appeal, the appeal will be directed to an external body for review at no cost to the learner.

- 5.32. If a meeting is scheduled, the learner may be accompanied and assisted by a support person. This applies to any additional meetings involving the internal appeal.
- 5.33. The College will aim to resolve the appeal within 10 working days from the commencement of the formal internal appeal process unless all parties agree in writing to extend this time.
- 5.34. Within 5 working days of the conclusion of the internal appeal handling process, the College will inform the learner in writing of the outcome of the appeal, including associated reasons for the outcome, and of their right to an external appeal should they not be satisfied with the result or conduct of the internal appeal handling process.
- 5.35. A record of the outcome, including reasons for the outcome, will be retained in the learner's file.
- 5.36. If any matter arising from the internal appeal indicates a systemic College issue, the CEO will be informed in writing so the matter can be used to inform the continuous improvement activities of the College.
- 5.37. If the learner elects to access the external appeals process, they must inform the College in writing within 5 working days of being informed of the outcome of the internal appeal so that the learner's enrolment may be maintained until the process is concluded.
- 5.38. A record of the appeal is recorded in the learner's file.

External Appeal Procedure

- 5.39. Learners that are unsatisfied with an outcome of an internal appeal, are invited to lodge a formal request for an external appeal using the External Appeals Form available at opc.edu.au/forms
- 5.40. If the learner lodges a request for an external appeal using this form, they will receive an email confirming that the College has received the external appeal request.
- 5.41. Any learner that experiences difficulty when completing the appeal form should ask a College staff member to assist them.
- 5.42. Once an external appeal form as been lodged (with any relevant supporting material), a member of the College Senior Management Team will refer the external appeal to one of the following external independent third parties for resolution:
 - ASQA

- Overseas Students Ombudsman
- 5.43. The external independent third party will manage the external appeal process through to completion.
- 5.44. If a learner elects to lodge an external appeal, it has the following effect on their enrolment:
- a) If the appeal is against the College's decision to report the learner for:
 - i) Unsatisfactory course progress, or
 - ii) Unsatisfactory attendance,
 the College must maintain the learner's enrolment (i.e. not report the learner for unsatisfactory progress or attendance) until the external appeal process is complete and has supported the College's decision to report. The College must wait for the outcome of the external appeals process in this case as reporting a learner for unsatisfactory progress or attendance may result in the cancellation of the learner's visa.
 - b) If the appeal is against the College's decision to:
 - i) Defer or suspend a learner's enrolment due to misbehaviour, or
 - ii) To cancel the learner's enrolment,
 the College only needs to await the outcome of the internal appeals process (supporting the College) before notifying the Department of Education through PRISMS of the change to the learner's enrolment. Once the Department of Education has been notified of a deferment, suspension or cancellation of a learner's enrolment, the learner has 28 days in which to :
 - i) Leave Australia,
 - ii) Show the Department of Home Affairs (formerly the Department of Immigration and Border Protection) a new Confirmation of Enrolment (CoE),
or
 - iii) Provide the Department of Home Affairs with evidence that he or she has accessed an external appeals process.
 - c) For all other scenarios, the College will maintain a learner's enrolment until the external appeals process has been completed.
- 5.45. Following the receipt of the outcome of the external appeal by the independent third party, the College will immediately implement the decision, convey the outcome to the learner, place a copy of the documentation on the learner's file, and undertake any continuous improvement actions arising from the decision.
- 5.46. Nothing in this policy and procedure inhibits a learner's rights to pursue other legal remedies. Learners are entitled to resolve any dispute by exercising their rights to other legal remedies.
