

APPLICATION FOR CREDIT TRANSFER (CT)

SIT60322 – Advanced Diploma of Hospitality Management

Information for applicants – please read before completing this form. Keep these pages for your records.

This form gives effect to the OPC Credit Transfer and Recognition of Prior Learning Policy and Procedure (v1.3), and the OPC Complaints and Appeals Policy and Procedure (v2.0). Both are available at <https://www.opc.edu.au/policies/>

WHAT IS CREDIT TRANSFER?

Credit transfer (CT) recognises units of competency you have already completed with an Australian Registered Training Organisation (RTO). Where you have completed a unit that is identical or equivalent to a unit in your Opulence College (OPC) course, and you provide authentic evidence of that completion, OPC will grant you credit for that unit.

If credit is granted you will not be required to repeat the training or the assessment for that unit, and you will not be charged for its delivery or assessment. OPC recognises AQF qualifications and Statements of Attainment issued by any Australian RTO.

- **Credit transfer** is granted on evidence that you have already completed an equivalent unit – no further assessment is required.
- **Recognition of prior learning** (RPL) assesses skills and knowledge you have gained through work or life experience that has not been formally recognised. RPL is a form of assessment. If you do not hold a qualification or Statement of Attainment for the unit, apply for RPL instead using the OPC RPL Application Form and Kit. A published assessment fee applies to RPL applications, and your academic suitability (LLND) is assessed by the Student Support Officer before an RPL application proceeds.

You are told about your right to apply for credit transfer and RPL at enrolment and orientation, and in the Student Handbook, on the OPC website and in OPC marketing materials.

WHAT DOES OPC COUNT AS “EQUIVALENT”?

OPC will grant credit where the unit you completed is:

1. the same unit as the OPC unit – the current national unit code and title match; or
2. a superseded unit that the training package developer has determined to be equivalent, as published on the National Register (training.gov.au).

Where equivalence cannot be established, credit transfer will not be granted. You will be told the reason in writing.

HOW DO I APPLY?

This form is available at <https://www.opc.edu.au/forms> or from the Admissions Officer. Complete Section 1 and Section 2 and email the form, with your supporting evidence, to the Admissions Officer at admission.act@opc.edu.au. You may also lodge it in person at any OPC campus. You may apply before you enrol or at any time during your course; applying before you enrol means your training plan and tuition fees can be adjusted from the start. The Admissions Officer will check that your application is complete before it is forwarded for assessment, and will contact you if anything is missing. The 5 working day processing time starts once OPC has your complete application and evidence.

WHAT EVIDENCE DO I NEED TO PROVIDE?

- Certified copies of qualifications, Statements of Attainment and/or academic transcripts for every unit you are claiming. Do not send original documents.
- A photocopy can be certified (signed and dated) as a true copy of the original by an authorised person – for example a Justice of the Peace, police officer, doctor, accountant, school principal or bank manager. That person must sight both the original and the photocopy. You may be asked to produce the originals at a later stage.
- Your Unique Student Identifier (USI). By signing this form you authorise OPC to verify your results through the USI Transcript Service and/or directly with the issuing RTO.

OPC verifies the authenticity of all documentation before granting credit. Documentation found to be false, or misleading will be dealt with under the OPC Student Misconduct Policy and may result in cancellation of enrolment.

IS THERE A FEE?

No. There is no charge for processing a credit transfer application, and no charge for the delivery or assessment of any unit for which credit is granted. Where credit is granted your tuition fees are amended accordingly. A published assessment fee does apply to RPL applications. OPC enrolment fees and charges: <https://www.opc.edu.au/fees-and-payment/>

HOW AND WHEN WILL I BE TOLD THE OUTCOME?

- Credit transfer applications are processed within 5 working days of OPC receiving your complete documentation. You will be notified of the outcome in writing.
- A Trainer/Assessor or the College Manager verifies your evidence and confirms equivalence; the College Manager makes the final decision.
- If credit is granted, it is recorded in the student management system and on your academic record, your training plan / study plan is updated, and your tuition fees are amended.
- If credit is not granted, the written notice will state the reason and set out the alternative pathways available to you.

- International students: where credit reduces your course duration, OPC will give you a written record of the decision for you to accept, Admin Staff will issue a revised Confirmation of Enrolment (CoE) for the reduced duration, and the Compliance Officer will report the change in PRISMS as required by the ESOS National Code 2018. Check with OPC that your visa status is not put at risk by the granting of credit – P: (+61) 2 6101 8650, E: enquiry.act@opc.edu.au

WHAT IF I DISAGREE WITH THE DECISION?

You may appeal under the OPC Complaints and Appeals Policy and Procedure, available at <https://www.opc.edu.au/policies/>. There is no cost to you for an internal appeal, and you will not be disadvantaged for lodging one in good faith.

- Lodge your appeal in writing on the OPC Complaints and Appeals Form within 20 working days of receiving the decision, stating the grounds for your appeal. The Student Support Officer can help you complete the form.
- The Compliance Officer will acknowledge your appeal in writing within 5 working days and log it in the Continuous Improvement Register.
- The CEO or their delegate appoints an independent reviewer who was not involved in the original decision. For an appeal against an assessment decision the reviewer is a qualified Trainer/Assessor.
- OPC aims to finalise appeals within 20 working days and will write to you with the outcome and the detailed reasons for the decision. If a matter is expected to take longer than 60 calendar days you will be told in writing why and kept updated.
- You may be accompanied by a support person at any meeting, provided they are not acting in a legal capacity.
- If you are still not satisfied, you may access a free and independent external review – the Overseas Students Ombudsman (OSO) for international students, or an appropriate external body for domestic students. OPC will implement any decision or recommendation the external body makes.

IMPORTANT

- Some units have licensing or regulated outcomes. OPC must consider the relevant state or territory regulatory requirements before granting credit, and credit may not be available where a regulator requires current training.
- Your former education institution(s) may be contacted if further information is required to verify your claim.
- Please keep a copy of this application and all supporting documentation.
- The OPC Credit Transfer and Recognition of Prior Learning Policy and Procedure and the OPC Complaints and Appeals Policy and Procedure are available to you before enrolment at <https://www.opc.edu.au/policies/>.

This form supports OPC's compliance with Outcome Standards 1.6 (RPL), 1.7 (credit transfer), 2.7 (complaints) and 2.8 (appeals) of the Standards for Registered Training Organisations 2025, and with Standard 2 of the ESOS National Code 2018.
